The screenshot shows the Facebook profile page for 'Bispebjerg Projektet'. At the top, there's a banner with a photo of a large, multi-story brick building with snow on the ground. Below the banner, the page title 'Bispebjerg Projektet' is displayed in bold black text. To the right of the title, a status update reads: 'Bispebjerg Projektet har valgt Kuben Management som rådgiver på helhedsplankonkurrencen. Firmaet blev valgt, fordi tilbuddet var mest økonomisk fordelagtigt, og fordi det havde en fin procesbeskrivelse.' Below the status update are several tabs: 'Væg', 'Information' (which is selected), 'Begivenheder', 'Links', and 'Billeder'. Underneath the tabs, there are sharing options: 'Del' followed by 'Opslag', 'Billede', 'Link', and 'Video'. A text input field says 'Skriv noget...'. At the bottom of the page, there are three buttons: 'Kun Bispebjerg Projektet', 'Kun andre', and 'Del'. On the left side, there's a sidebar with sections for 'Oplysninger' (Information) and 'Facebook-siden er henvendt til rådgiver- og entrepenørbranchen.' (The Facebook page is addressed to the advisor and entrepreneur sectors). The 'Oplysninger' section contains text about the project's scope and its selection as the advisor for the master plan competition.
